Novel Plot Discovered Which Would Have Meant Horrible Death to Young King and Bride While Speeding in Car.

PARIS, November 11.-There is a persistent rumor in sirculation here to-night that King Alfonso, of Spain, has been assassinated upon his arrival in Madrid.

According to the latest reports from Spain, King Alfonso and Queen Victoria have been spending a few days at Malaga, where they arrived on November 3. According to the Malaga dispatch announcing their arrival the local police had been advised, before Their Majesties were due, that suspected anarchists had suddenly disappeared from Barcelona. and consequently the most rigorous precautions were taken for the protection of the King and In Mad Rush for Exits Seats Are President Roosevelt Has United | Queen during their stay in Malaga. All the houses in the streets through which the King and Queen were to pass were carefully searched.

When they arrived at Malaga they met with a cordial reception. They passed through the streets to the palace without any unto-
